

MGN Logistics, Inc. Announces New Multi-Million-Dollar Contract With Partner

EASTON, Pa. - June 11, 2020 - [PRLog](#) -- MGN Logistics, Inc, a leading provider of IT solutions for the freight management and transportation industry, announces it has been contracted by Jardine Associates of North Kingston, RI, a national sales representative company for several of the largest vendors in the country, to provide their transportation and supply chain needs.

"We are extremely excited to have been selected by Jardine Associates for their new COVID-19 response project. We will be sourcing and coordinating 130 – 150 full truckload shipments a week to various warehouses, distribution facilities and stores, throughout the United States serving their clients such as Food Lion, Giant, Hannaford, Stop&Shop, CVS and Home Depot. This multi-million-dollar project is expected to run until at least the end of October," said Matthew Telesca, CEO of MGN Logistics. "While we have worked with Jardine Associates and their sister company, J&A Marketing, in the past, this new project is of a completely different scope and scale than previously. As a result of this new contract, we have recently engaged with a leading transportation and logistics truckload provider to ensure the needed capacity is met."
